DATE — 1/10/26
i) Began by showing PPTs (Took photos, will upload.)

DATE — 12/10/26
i) Began by stating that the Article Review, of the article which he has allocated, must be done by the end of this week — Friday (16/10/26).
ii) Stated that the Research Assignment, which consists of the maximum marks of the internal assessment, must also be done — first, by confirming the Research topic with Professor by the end of this week (16/10/26), then by writing it — such topic must have a contemporary relevance; should be limited to India.
iii) Also stated — the answers to the questions written, on paper, must also be shown by 16/10/26.
iv) Began with — Trends in Indian Federalism.
v) Stated that for above iv) — the other term which we can use — The Evolution of Indian Federalism.
vi) Put forth question to the class — Whether India had come into contact with Federalism before the Indian Constitution?
vii) Stated that — Professor believes that the term "quasi-federal" is not correct. The correct term would be, for what India adopted, "Westminster Federal Model".

DATE — 13/10/26
i) Began by putting forth question to the class — Can you relate Democracy with Federalism?
ii) Stated that — For the success of Democracy, we don't require Federalism; but we can enrich Democracy with Federalism.
iii) Put forth question to the class — Parliamentary Federalism: Operational overview — What do you understand about this?
iv) Readings — Articles by Chandrachud; Article by Abhishek Manu Singhvi.

DATE — 15/10/26
i) Began by putting forth question to the class — What is the relation between Federalism and Constitutionalism? How is Federalism contributing to Constitutionalism?
ii) Put forth another question to the class — Trace the origin of India's Federation.
iii) Stated that Indian Federalism is a palimpsest, and highlighted that Asymmetry is the permanent substrate of Federalism.
iv) Put forth another question to the class — How Fiscal Federalism operate in the country? — It is the financial allocation, between the Centre and the State. Who collects the money, who collects the tax, how is the money distributed; these showcase the Fiscal Federalism.
v) Stated about Co-operative Federalism. Also, put question to the class — Can you bring a case study for how co-operative federalism exists in the country?
vi) Stated that Co-operative Federalism means that there should be a consultation with the States before bringing in the national policies.
vii) Stated that another form of Federalism is Bargaining Federalism.
viii) Stated another form of Federalism is Competitive Federalism and it's meaning — whether the units compete with each other in order to progress?
ix) Stated that Palimpsest means writing surface form which the original text has been scraped, washed, or erased so the material can be reused for new writing, leaving faint, visible traces of the earlier text underneath.
